STATEMENT BY
QUEENS DISTRICT ATTORNEY RICHARD A. BROWN

It had been my hope that I would be able to finish out this term in office. Unfortunately, that is not to be. Given the current state of my health and my ongoing health issues, it has become increasingly difficult to fully perform the powers and duties of my office in the manner in which I have done since 1991. Accordingly, I intend to resign as District Attorney effective June 1, 2019, the twenty-eighth anniversary of my first assuming this office. In the interim, pursuant to the provisions of subdivisions 3 and 4 of section 702 of the County Law, section 9 of the Public Officers Law, and such other applicable provisions of law, I hereby designate my Chief Assistant, John M. Ryan to exercise the powers and duties of the office of District Attorney while I address my health issues. I will continue to work closely with my staff until my retirement to ensure an orderly transition for this office and for the residents of Queens County.

I thank the people of Queens for their much appreciated support over the years. It is has been my honor to serve you. I particularly want to express my appreciation to all those who have worked so professionally and diligently in this office as Assistant District Attorneys, Investigators and members of our support staff. Together we have built what I believe to be one of the finest prosecutor's offices in the country.
